

### REMARKS

The specification has been amended to include the priority information for this application.

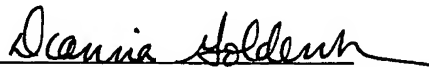

New claims 99-110 have been added. Support for claims 99-110 is found in original claims 8, 19, 25, 26, 35, 42, 70, 72, and 83. Claims 11 and 12 have been canceled, without prejudice or disclaimer. Claims 1-10, 13-48, and 50-98 have been amended for clarification and to correct typographical errors, remove multiple claim dependencies, remove references to preferential subject matter, and remove references to trademarks. Support for these amendments is found in original claims 1-98. No new matter has been added. Claims 1-10 and 13-110 are pending.

These amendments have been made to reduce filing fees and to place the claims in proper U.S. format, and have not been made for any reason substantially related to the patentability of the claims.

Favorable consideration and allowance of the application is earnestly solicited.

Dated: November 22, 2005

Respectfully submitted,

By
